

MXPOWER

Solar Semiflexible Modules

Excellent Power Output with +ve Tolerance upto 3Wp

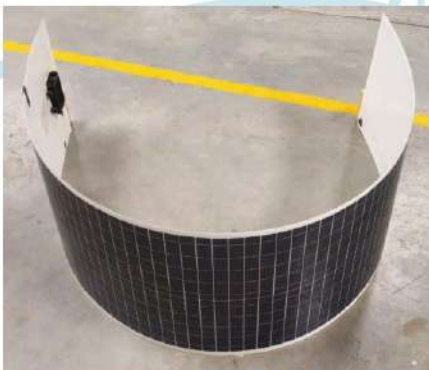

High Performance Modules with

12 Years Limited Product Warranty

efficiency more than 19.0%
All the modules are PID resistant

Application

Special Purpose Products
BIPV
Defence Applications
E - Vehicles

Constructional Characteristics

EVA
Cells
Back Sheet
PVDF Sheet

Standards

As per ..
IEC 61215 & 61730
IEC 61701 (Salt Mist Test)
MNRE (India) Certified
